Letter No A1 c 479/51-52 dt 7-1-52 from the Chairman, Mysore Trust Board furnishing the particulars called for -

5 sub-committees are serving the Mysore Trust Board and for the years, a sum of Rs 2 75 lakhs is provided in the state budget for 51-52 to the Mysore Improvement Trust Board, as noted below -

a) - A sum of Rs 2,00,000 - under "50 Civil Works - grants - in - aid - PWD Development schemes" - Vol II

b) - A sum of Rs 75,000 - under '50 Civil works --- grants-in-aid to PWD schemes -

6 It is seen from the particulars made as above, the provision of Rs 2,00,000 was meant for schemes and the sum of Rs 75,000 was given as a grant-in-aid to the Trust Board these provisions of Rs 2 75 lakhs is also included in the same estimated budget of the Trust Board for 51-52 under Trust Board Funds proper - and the expenditure ~~for~~ amount provided in the expenditure side against this provision has also been approved

please see the statements flag Z - item 1 in the receipt side of item 1 in the expenditure side

and moneys in the sanctioned budget, with financial concurrence.

7 As seen from the statement now received amount is expended out of the state grant for the following items

I For establishment and other charges in the improving Trusts

II For drainage & other works

III For other improvement works such as widening and construction lanes

8 It is not clear why the Trust Boards should take up improvement works pertaining to the improvement to drainage construction of drains etc in all the extensions of the city irrespective of whether such extensions are under the control of the Trust Boards or have also been given a sum of Rs 50,000 to the Dy/Mr of municipal council under 50 civil works - grants-in-aid - post war Development schemes The Trust Boards may perhaps be asked to restrict its activities in the areas under its direct control it is the legitimate duty of the Dy/Mr city municipal council to execute improvement works like improvement to drainage, construction of drains and sewerage house connections

9 As the Trust Board has already incurred more than the amount of Rs 2-75 given during the year, and Lanny regard to the fact that the several pensions made thereon under this head have been approved, already, the A G may be requested to credit the amount provided in the State budget to the funds of the Trust Boards A

48) The allotment for the post-war Development works in Mysore City during 1951-52 was Rs 50,000/- The allocation of this amount for the different purposes was sanctioned as follows

Improvement & water Supply in V R Mohalla	Rs 13,894/-
Erection of Gandhi Memorial Shippa	Rs 6,500/-
Shifting of Godown Godowns etc	Rs 29,606/-
Total	Rs 50,000

49) In G.O No. L 13024-27/C-II 53-54 dated 23 6 51 a grant of Rs 10,000/- was sanctioned to the Mysore city Municipality for Road Repairs and other improvement works in connection with the visit of Dr. Babu Rajendra prasad to Mysore city from out of the sum of Rs 25,000/- received annually from the grant made to the Trust Board for such works as per G.O No. L 221-5/ml 51-14-63 dated 12. 7. 1948 But the Trust Board strongly protested the making of this grant to the city as there has been no simultaneous increase of the grant to the Board to Rs 3½ lakhs as contemplated in the said G.O. The Trust Board's section requested this question separately and issued orders in No. L 15468/D.T B 3-51-13 dated 27 3. 52 that this expenditure of Rs 10,000/- may be debited to the provision of Rs 50,000/- made to the Mysore city Municipal Council under the Grant-in-aid for post-war Development Schemes

The grant was sanctioned to be utilised as detailed in para 4 above, the transference of the Rs. 10,000/- recovered during the previous year also to this head resulted in an excess of Rs 10,000/- over the budget provision

5) But the A.G. in his letter dated 5.4.52 to the Municipal Commr. pointed out that there has been an excess in the actual payment of Rs 3,500/- over the budget provision, perhaps in regard to the credit of the Govt grant to the following items, excluding the grant for Basic Municipal Schemes which might not have been drawn yet.

Improvement of water supply to N.R. Mohalla	Rs 13,894/-
Sluicing & Underdrainage	Rs 29,606/-
Visit of Dr Rajendraprasad	Rs 10,000/-
	Rs 53,500

Sir,

Subject State Grant to the City Improvement Trust Board, Mysore, for 1951-52.

Adverting to Government Order No L.13731/I.T B 3-51-12 dated 26/28-2-1952 directing that, out of the State Grant of Rs.2,75,000/- sanctioned by Government to the City Improvement Trust Board, Mysore, in the State Budget for 1951-52, a sum of Rs.75,000/- might be debited under "50-Civil works - Grant-in-aid and P.W schemes", I write to state that the Accountant-General, Mysore, Bangalore, to whom a Payee's receipt for Rs 75,000/- was sent, so far as the grant in aid "50 Civil works etc" is concerned, has in his memo No N.T.36457/T3 CW dated 8-3-1952 (vide enclosed) authorised the payment at the Mysore District Treasury of Rs.65,000/- only, disallowing a sum of Rs.10,000/- on the ground that that amount was paid on 19-4-1951 to the Mysore City Improvement Trust Board- Fund in connection with the visit of the President of the Indian Republic as per G.O No L 13024-27/C.M 53-50-4 dated 23-26-3-1951.

On a verification of the Trust Board accounts, it is seen that the sum in question viz , Rs.10,000/- was not credited to the funds of the Trust Board as stated by the Accountant-General Perhaps the amount was credited to the City Municipal Council, Mysore, instead of the Trust Board Funds

It was ordered in your letter No L.7635 dated 17-10-1951 that the question of ear-marking to the City Municipal Council, Mysore, the sum of Rs.25,000/- (of which the sum of Rs 10,000/- forms part) referred to in G O No L.13024-27/C M 53-50-4 dated 23-26-3-1951 did not arise

P T O

in view of the fact that the State Grant to the City Improvement Trust Board, Mysore, did never exceed Rs.2,75,000/- since 1915, and that separate grant of Rs.50,000/- was therefore allotted to the City Municipal Council, Mysore, under "50 Civil works - Grant-in-aid, Post War Development" in the State Budget for 1951-52.

It is therefore evident from the above, that no deduction out of the State Grant of Rs.75,000/- is called for and I request that the Accountant-General, Mysore, Bangalore, may kindly be instructed to place the disallowed sum of Rs.10,000/- to the credit of the City Improvement Trust Board, Mysore, immediately, as the clost of the official year is drawing very near and expenditure to the full extent of the State Grant has already been incurred by the Trust Board, pending formal sanction of Government I request the favour of immediate action in the matter

THE MUNICIPAL COMMISSIONER,

MYSORE.

of the above grant for a work that was executed nearly 2 years ago viz , the water supply improvement work in N R Extension, inspite of the request of the Council to revise the orders to exclude the expenditure on account of the same (vide para 3 of preamble of G O No L 15318-20/CM 10-51-28 dated 22/25-3-1952) was rather prejudicial to the requirements of the Council Further to this, the Council were in receipt of a copy of the letter No L 15465 ITB 3-51-13 dated 27-3-1952 addressed by you to the Accountant General in Mysore through the Financial Department directing that the Government grant of Rs 10,000/- sanctioned in G O No L 13024-27/CM 53-50-4 dated 26-3-1951 for expenditure incurred by the Municipal Council in connection with the visit of the President, Indian Republic and adjusted to the Municipal Funds as back as 18-4-1951 from out of the grant that is being made to the Trust Board every year as per G O No L 221-5/Mi 51-13 62 dated 12-7-1915, should be debited to the grant of Rs 50,000 referred to above during the year 1951-52 and that the entire grant of Rs 2 75 lakhs that is made available to the Trust Board every year might be credited to the Trust Board alone This reference appears to have arisen on a letter No A1-C 479/51-52 dated 12-3-1952 addressed to you by the Chairman, City Improvement Trust Board The present position with regard to the credit of the Government grant has therefore been as follows -

1) Improvement of water supply works in N R Mohalla	Rs 13,894/-
2) Shifting of Buddhalakere	Rs 29,606/-
3) Visit of Dr Babu Rajendra Prasad	Rs 10,000/-
Total	Rs 53,500/-

While this exceeds on the one hand the allotted sum of Rs 50,000 by Rs 3500/- for obtaining sanction

to which a reference is received from the Accountant-General with his No 2/73 dated 5-4-1952 copied to you, the Council has been denied the effect of the G O No L 14090-3/CM 10-31-24 dated 3-3-1952 sanctioning the sum of Rs 6500/- as the Government grant for the erection of Gandhi Memorial Stoopa All these have crippled the financial position of the Municipal Council in putting the scheme of shifting Bud[illegible]ukekerd into execution A separate reference however for sanctioning the remaining grant to make up Rs 50,000/- in - - this respect has been made in this office letter No C2 PR 49/51-52 dated 17-5-1952

The Council wish to impress upon Government that the Government grant of Rs 10,000/- sanctioned in connection with the visit of the President of India was not for the Post-war Development Scheme but was one sanctioned for effecting minor repairs to several important roads and other urgent works of improvement in the city on occasion like the visit of the President of India to the city They wished to bring it to the kind notice of Government that such an expenditure (provision for meeting which was made to be met out of grant made available to Trust Board) more or less at the beginning of the official year should have not been debited to Postwar Reconstruction grant at the close of the year just to see that the annual grant that is made to the Trust Board was not reduced The works executed at the time of the President's visit are moreover improvement works particularly of roads etc , and were a legitimate charge on the Government grant given to Trust Board for improvement of the City But as, however, the several adjustments have been made hurriedly at the close of the year 1951-52 to avoid lapse of the grant, the Council feel unable to express

or suggest any alternative proposal in this behalf but only wish to bring to the kind notice of the Government, the situation arising out of the shortness of funds for furthering the schemes planned to be financed by Government to a great extent

In these circumstances, I request that orders of Government may kindly be obtained for making available during the current year 1952-53 at least the funds to the extent of Rs 20,394/- as noted in the margin for the several works pending execution with the expectations of obtaining the necessary funds from Government

Gandhi Memorial Stoopa 6500/-
N R Water Supply work 13894/-
Total 20394/-

As the furtherance of these works are held up for want of the necessary provision in this behalf, I request that orders of Government may kindly be obtained early in the matter

Yours faithfully,

(F M Abdul Rahim)

Sir,

Govt
Subject /Grant to this Municipality.

I write to state that during the consideration of the Budget Estimates of the year 1952-53, the Council observed that while Government have made provision for grant-in-aid under '50-Civil Works - Grant-in-aid' under Development Scheme to Bangalore and Mysore City Improvement Trust Board to the extent of Rs 10,00,000/- and Rs 2,00,000 respectively and also to Davangere Municipality and K G F , City Improvement Trust Board to the extent of Rs 50,000/- and Rs 60,000/- no provision has been made to the Mysore City Municipality under the head '50 Civil Work It was also observed that as much as Rs 3,00,000 has been provided for the Dist Boards

The Council wished to bring it to the kind notice of Government that a sum of Rs 50,000 at least had been provided for under this head during the year 1951-52, though even that amount was later ordered to be set off against grants for items of work executed or carried out long back viz , Narasimharaja Mohalla water supply and the improvement works carried out in connection with the visit of the President of India and only a sum of Rs 29,606/- was made available as against Rs 50,000/- expected from Government for the scheme of shifting Bududukekere which is estimated to

cost Rs.70,000/-

With a view to reimburse the grant so crippled and also to meet the similar items of expenditure in the year 1952-53 the Council wished to request Government to be pleased to make provision for a sum of Rs 1,00,000/- as grant in aid to this Municipality.

In enclosing a copy of the resolution of the Council passed to that effect at their meeting held on 19-4-1952, I request that orders of Government may be kindly obtained for sanctioning a grant of Rs 1,00,000 to this Municipality
